The **2022 Louisiana Airport Managers & Associates Conference** will be held at the DoubleTree by Hilton Hotel in Lafayette, Louisiana on October 23 - 26, 2022. The conference will bring together more than 200 airport managers, airport staff, aviation professionals, exhibitors, officials from the Federal Aviation Administration and State Aviation office in addition to speakers from the aviation industry.

Exhibitors will have the opportunity to showcase their product(s) to decision makers from the state airports in electrical, lighting, hangars construction and/or material, electrical or hydraulic hangar doors, pavement, and equipment used in operations and maintenance on airports. We encourage you to consider becoming an **Exhibitor** to highlight the expertise of your company, its services and/or material offered, and to hold one-on-one sessions if desired.

Various levels of **Sponsorship** are available and shown on the attached form along with what your firm will receive in return of becoming a sponsor of the 2022 "**LAMA's 51 Years**" conference.

We look forward to celebrating "**LAMA's 51 Years**" with a reception for Sunday afternoon, a conference kickoff on Monday morning, informative/interactive sessions for Monday and Tuesday to benefit all, fun entertainment for Monday night, awards luncheon on Tuesday, social gathering with drinks and hors d'oeuvres for Tuesday night, and the farewell breakfast on Wednesday morning.

Please see attached forms for your consideration. If you have any questions feel free to contact Mrs. Rene' Cotton at 337-408-4300 or [renec@lftairport.com](mailto:renec@lftairport.com). You may also visit [www.louisianaairports.org](http://www.louisianaairports.org) for conference information.
